Does your business REALLY need a web solution?

Recent statistics from www.internetworldstats.com for South Africa indicated that Internet usage has increased by 46% over the last five years, and shows that more & more customers **start looking towards the Internet** to find new products & services.

With this in mind, will your customers find you when they start looking?

So if you are just starting a business, or have the need to take your business strategy online, we can help you grow your business through:

- Creating an online presence, establishing corporate image & brand
- Attracting more customers
- Expanding your market nationally & internationally
- Saving on daily expenses
- Improving efficiencies & reduce costs
- Selling / ordering your products online

We specialise in designing premium quality Internet solutions that fit your business requirements like a glove. And with four different solutions to choose from, you can have a professional solution implemented within **48 hours!!**

These solutions are also available as rental options for more limited time periods (special promotions or competitions).

Modular Development

Our modular development methodology ensures future scalability and growth, to ensure that you will never outgrow your solution.

And once your solution is well established, or whenever your business requirement

change, we can easily transform your basic solution to an integrated, online & full E-Commerce solution.

It's not just about websites anymore!

We pride ourselves in providing additional E-Business consulting services that really makes the difference between a website, and a true E-Business Solution.

Our E-Business solutions include:

- **Search Engine Optimisation (SEO)**
Your solution is optimised to ensure maximum results when your customer searches for products on the major search engines
- **Site submissions**
Your solution will be submitted to major search engines & directories to enhance search rankings
- **Full maintenance & updates**
Our packages are managed solutions to ensure that your site is dynamic and frequently updated with the latest information
- **Site Statistics Reporting**
We provide monthly statistics reports on the hits, page ranks, page views and general visitor traffic
- Subscriptions to our monthly E-newsletter and the Bizconnect web portal

So, whether you are looking for a basic solution that will announce your online presence, or a fully integrated E-Commerce solution that drives your business, we can establish and implement your solution in a secure & cost-effective environment.
